ATR Toulouse Training Center Welcome Kit

WELCOME TO ATR TOULOUSE TRAINING CENTRE

ATR is very pleased to welcome you to its Training Centre located in Blagnac near Toulouse, in France.

ATR Training Centre has been set up in the SIM Aero Training facilities located close to Toulouse-Blagnac Airport.

ATR Toulouse Training Centre provides a high level of training services with a full set of comprehensive training tools, each one adapted to a specific phase of the learning process. Training programs and tools are both updated on a regular basis.

Standardization of information is achieved by concurrently updating contents via all ATR instructors and by revising the supporting training material. This gives the same message and the same quality of training to all trainees. Our objective is to maintain a truly high standard of training and comprehensive operational support at an affordable price for all ATR customers.

This welcome Kit is intended to provide you all information you need before to reach the training centre and, when on site, to give you all the modalities to make you feel at "home" in your training centre.

We will be pleased to assist you should you have any questions or require additional information.

ATR wishes you a pleasant stay and all the best for your training.
