

Dublin simulator information

Important information that you need to know before arrival for simulator sessions in Dublin.

Simulator

The simulator in Dublin has older version of the avionic system. Therefore, there is some differences compared to the real aircraft with the newest updated avionic system. **A CBT covering these differences must be completed before the first session.** You will find this CBT course here in your e-learning system.

Hotel

Your hotel booking will be at the 4-star Clayton Hotel Dublin Airport. When you arrive at Dublin airport please go outside and walk to Zone 16. Here the hotel shuttle bus will be waiting for you. (See the attached map below.) Your accommodation stay includes breakfast and ground transportation between the Clayton Hotel and SimTech Aviation.

Ground transport between the Clayton Hotel and SimTech Aviation.

We will issue out the bus roster in advance and it is also available at the hotel. The bus generally will leave 30 minutes ahead of your required arrival time to SimTech Aviation. The journey will take around 15 minutes however we add additional time in the case of heavy traffic.

COVID-19 information

For your flight and on buses you are asked to wear a mask. This will include the bus journey to/from our training facility. At SimTech we do require you to wear a mask while walking around the building and in the sim. We also require you to sanitize your hands as you pass one of our sanitation points in the building.
